NWAAC Antique Air Fly-In 2008 Vendor Application

Who We Are

The Northwest Antique Aircraft Club (NWAAC) sponsors the Northwest Antique Aircraft Fly-in.

NWAAC is a non-profit organization whose mission is to help sustain the rich aviation history in the

Northwest, promote aviation safety and provide aviation education scholarships.

Event Information

Date: Friday August 15, noon to 5:00pm Tickets: Adults \$8.00

Saturday, August 16, 8:00 am to 5:00pm Seniors & Children \$6.00

Sunday, August 17, 8:00 am to noon

Participant & Spectator Information

Participants Antique aircraft owners from the Northwest, California, mid-western states and Canada fly their aircraft in for three days of camping, education seminars and entertainment activities. In recent years over 700 aircraft have participated annually with over 1500 guests arriving spending the weekend at the Fly-in. 2009 will be once again have a great aerobatic show as part of the weekend, so Saturday will have many additional walk-in visitors. All three days of the Fly-in will feature some stunning aerobatic flying displays from Northwest aviators.

Entertainment In an effort to enhance the spectator appeal and increase their attendance from last year, the Fly-in committee is working hard to attract entertainment "in the tent," as well as the military ground displays, safety and aviation seminars that were so popular, as well as activities for children.

Vendor Parking & Access Vendor parking will be available for staff and a limited amount of space will be available for trailers or freezer trucks in designated areas. Credentials for site access for vendor staff will be provided.

Vending Locations The food court will be collocated within the main spectator area, as was so successful last year. This area measures over 1000' across and will feature unique aircraft displays as well as ground activities. We will also have a large open tent with tables and chairs adjacent to the food court and vendor area for attendees to eat.

Each vendor will be assigned a 10'x10' or 10'x20' paved area and no staking will be allowed. Sand bags, weights or water barrels must be used to secure vendor displays. Water will be available. No shelter or sewage is provided, however a grey water tank and trash dumpsters will be available.

Insurance Each vendor will be required to provide a certificate of insurance showing not less than \$500,000 product liability coverage and list the North West Antique Aircraft Club, The McMinnville Airport, and the City of McMinnville as additional insured on the policy.

Fire & Health Each vendor will have to meet local code and supply their own fire extinguishers where required. Each food vendor must also provide a valid health permit for the event.

Electrical No sound devices or loud equipment such as generators will be allowed. Power may be provided through our contractor at \$110 per 120V/15A outlet or \$250 per 240V/20A outlet.

Menu To minimize duplication of products, please include a menu and price list with your application. Space will be allocated on a first-come first-served basis.

Priorities Returning vendors will be given priority until June 1, 2008 as follows: (1) first choice of space from last year, then (2) first choice of vacated spaces from last year. Space assignment will be made only upon receipt of \$50 deposit.

Fees Vendor fees for both food and merchandise will be \$125.00 for a 10x10' space and \$225 for a 10xx20' space. All fees due at time of setup; 10% discount on booth space if received by August 1. Food vendors will be required to provide a refundable \$75 cleaning deposit. Inspections will be

completed Sunday afternoon and the cleaning deposit will be refunded within 30 days of the event.

Additional Information Lynda Wiegand is the Vendor Coordinator this year. Feel free to contact her for more information. lyndawiegand@comcast.net or 503-560-7425
